The Young Women's Christian Association of the Woman's Medical College of Pennsylvania was organized in November, 1885. At first the meetings of the Association were held in the parlor of a friend of the organization, Mrs. Vaché, and later, through the courtesy of the Managers of the Woman's Hospital, in Clinic Hall.

In February, 1888, Miss Susanna Brinton of Lancaster Co., Penn., gave to the Association the use of the house, 1300 North 22d street, now known as "Brinton Hall," on condition that at the end of five years the building should be purchased. Not until 1896 was sufficient money in hand to make it possible to fulfil the agreement—$2000.00 was then paid in cash, the balance, $4500.00 remaining on mortgage.

During the college year 1900-01, a final and successful effort was made by the students and friends of the Association to wipe out the indebtedness, and the property now stands unencumbered and fully insured.

Steps are being taken for the remodeling and refurnishing of the interior of Brinton Hall.

According to this new arrangement about ten students may be accommodated with rooms.

The use of the lower floor will be given over entirely to the student body, and it is hoped that they will make use of the reading room for study and the parlor for rest and recreation. A number of current magazines will always be
found in the reading room. The Hall will be in charge of a House Mother, who will always be glad to render any service possible to the students.

House Committee.

Cora E. Kinzie, Sarah E. Groves,
Mrs. M. J. Kinney, Ethel Polk.

The devotional work of the Association consists of two Hospital services on Sunday, one at 2 P. M. at the College Hospital and one at 4 P. M. at the Woman's Hospital.

On Wednesday evening a service from 7 to 7:30 at Brinton Hall, conducted sometimes by the students, but often by well-known speakers.

Hospital Prayer Meeting Committee.

Amy A. Metcalf, Mrs. W. S. Manship,
M. Evelyn Brydon, Clara Horner.

Entertainments.

A reception to the new students is given soon after the opening of the College.

A farewell reception is given to the Seniors just before Commencement.

Tea is served one afternoon a week throughout the College year, to which all the students are cordially invited, especially the new students, so as to become acquainted with each other as well as with the older students.

Informal parties are given occasionally by the Social Committee.

Welcoming Committee.

It is the wish of the Association to make itself useful in a very practical way, and, to that end, a Welcoming Committee has been appointed. If you are unfamiliar with the city and you wish an escort from the station, a letter mentioning your railroad, date and time of arrival, addressed to Miss Frances J. Heath, 1423 York Street, Philadelphia, Pa., will insure the needed assistance. Write early so that you may receive a reply.

F. J. Heath, F. R. Weaver, G. Huse.

Sarah E. Groves, Elizabeth Morse, Cora Kinzie.
Bible Study Committee.

Prof. Ella B. Everett will give a course in Bible Study at Brinton Hall during the College year 1909–1910.

The Young Women's Christian Association of Philadelphia has a number of rooms in its house, at the southwest corner of Eighteenth and Arch streets, which it reserves for transient guests. Guests are received at all hours. This makes a convenient resting place pending the selection of a permanent house. The expenses are from 25 to 50 cents per night. Lunch may be obtained in the restaurant at reasonable rates.

The relatives of the late Miss Sara E. M. Milligan, who was an active member of the Association and the Class of 1910, are planning to install in the Association Building, in the near future, a circulating library of medical text-books for the use of the students.
SUMMER CONFERENCES AT SILVER BAY, LAKE GEORGE, N. Y., AND MOUNTAIN LAKE PARK, MARYLAND.

The Young Women's Christian Association is usually represented by a number of students at the Student Bible Conference for young women, held at Silver Bay, Lake George, N. Y. This year they will have representatives at both the conference held at Silver Bay, Lake George, N. Y., July 2d to 12th, and that held at Mountain Lake Park, Maryland, June 25th to July 5th.

These conferences are conducted by the American Committee and affiliated with the World's Student Christian Federation, and their plan is to devote the mornings to Bible and Mission Study and various presentations of Association Work. Able addresses by well known and gifted speakers, student and alumnæ conferences have prominent places on these programs and the hundreds of delegates carry home new enthusiasm for Association work. The afternoons are given to recreation, boating, bathing, driving and mountain climbing and various athletic games which are arranged by a special committee.

The increasing popularity of these summer conferences for women attest to the profit and pleasure they have been to those in attendance. Any young women who wish both a delightful and helpful summer holiday will enjoy such at either Silver Bay or Mountain Lake Park. Miss Frances Heath, Chairman of the Intercollegiate Committee, will be glad to give more detailed information to any one who is interested.
The Student Volunteer Union of Philadelphia is composed of those members of the Student Volunteer Movement for Foreign Missions at present in or near the city. Its meetings are held on the third Saturday of each month, at 8 P. M., at the Holy Trinity Parish House, Twentieth Street, below Walnut Street. All students are cordially welcomed at these meetings.

OTHER COLLEGE ORGANIZATIONS.

THE STUDENTS' ASSOCIATION was organized in 1880. It is the official medium of communication between the student body and the faculty, and exists to further the interests of the students in all possible ways.

It especially seeks the wider employment of women interns in hospitals, and has also in its charge the yearly tax for the bed in the Woman's Hospital. This bed is most generously reserved by the Hospital for the free use of any student ill of a non-contagious disease. New students are asked to pay one dollar each, and old students fifty cents, towards the expense at the opening of the College year.

COLLEGE BOOK ROOM.

Sarah I. Morris,
M. Evelyn Brydon,
Representatives.

Through the courtesy of the College, a room is provided in the College Building for the use of two student representatives of the various medical publishing and instrument houses.

This Book Room has been established for the convenience of students, profit on the works sold being the sole compensation of the student representatives.

The location of the Book Room in the College building will save the students much time and inconvenience in securing necessary books and supplies, and at the same cost as elsewhere.

Arrangements can also be made for securing monthly credit.

Convenient hours will be announced at the opening of the College year.
SOME COLLEGE DO'S AND DONT'S.

DO be on time at lectures and clinics.

DO be womanly first and a medical student afterwards.

DO patronize the advertisers in this book.

DO yield due deference—including front seats— to the upper class girls: you will receive double value in return.

DO attend Commencement in cap and gown.

DO take some time to play.

DON'T be late, but if you are, enter quietly and at the upper door.

DON'T pass between the professor and the class.

DON'T put personal notices on the official bulletin boards.

DON'T call up any of the teaching corps over the telephone.

DON'T carry written papers into examinations: the proctor may not see it, but your class-mates will and may misjudge you.

DON'T whisper in clinics.

DON'T worry, even in April or May.

DON'T neglect to read the Hand Book.
